ORDERS BY THE RIGHT HONORABLE THE
GOVERNOR GENERAL IN COUNCIL.

JUDICIAL AND REVENUE DEPARTMENT.

THE 30TH SEPTEMBER, 1833.

Rules for the selection and nomination of Deputy Collectors under Regulation IX, 1833.

1. The Right Hon'ble the Governor General in Council is pleased, with reference to the provisions of Regulation IX, of the current year, to direct the observance of the following Rules in the selection and nomination of persons to the Office of Deputy Collector, provided for in Section XVI. of that Enactment.

2. When the Governor General in Council shall have decided on the employment of a Deputy Collector in any particular District, it will be the duty of the Collector, in communication with the Commissioner of the District, to nominate a person to the Office.—If the

Commissioner and Collector, after consultation, agree in nominating the same individual, the Collector will prepare a Statement, according to the annexed form, and forward it to the Commissioner, who will fill up the head "Remarks by the Commissioner," sign the Statement, and forward it to the Sudder Board of Revenue.

3. If they should not agree, the Collector will forward the Statement of the person he would recommend to the Commissioner, who will state his objections under the head of "Remarks by the Commissioner," and return it to the Collector, with a similar Statement of the person he would recommend.—If the Collector should, on re-consideration, prefer the Commissioner's nomination, the Collector will fill up the head "Remarks by the Collector," in the Commissioner's Statement, sign, and forward it to the Sudder Board; but if the Collector should adhere to his own nomination, he will return the Commissioner's Statement, with his own remarks to that effect, and also state his objections to the person nominated by the Commissioner.—If on receipt of this, the Commissioner should adhere to his own opinion, he will forward both Statements to the Board.

4. On receipt of the Statements, the Members of the Board will institute such further enquiries as they may deem necessary, into the qualifications, character, and past employment of the persons nominated, and they will summon any of them before them, if they think proper.—After completing their enquiries, the Board will submit the recommendation of the Local Officers, with a Report of their own opinion, for the consideration and Orders of Government; and further, if any Member of the Board should consider any candidate for the appointment, who had been rejected by the Local Authorities, better qualified than any person recommended by those Officers, he should submit a recommendation of such person, drawn up in the form of the prescribed Statement, with his colleague's remarks thereon.

5. Under the 11th head of the Statement, it should be noticed whether the nominee was related to, or connected with, any and what persons in Office, or of rank, or influence, or possessing extensive property in the District to which he may be nominated, or in any other District. Also the degree of estimation in which the nominee was held in the District in which he had been employed or had resided.

6. Under heads 12 and 13, the Collector, Commissioner and Members of the Board, should distinctly state, what opportunities they have had of making themselves acquainted with the character and qualifications of the person nominated.

7. It is expected that the Collector and Commissioner will seek and select persons, otherwise duly qualified, who may be known and generally respected as men of integrity and high character.

8. The particular attention of the Local Authorities and the Board should be directed to Section XXV. of the Regulation, it being of the greatest consequence to the attainment of the objects of the present Enactment, that persons who may be appointed to the Office of Deputy Collector, should be removed immediately after their disqualification, by neglect of duty, incapacity,

corruption, or other misconduct is known; and His Lordship in Council is of opinion, that such disqualification cannot be concealed from the Collector, Commissioner, and the Board, if they adopt the ordinary means within their power of ascertaining the sense of the community respecting the character and conduct of every individual filling these Offices.

9. With respect to Salaries, His Lordship in Council has been pleased to determine that persons appointed to the Office, shall ordinarily receive, in the first instance, the same allowance as Sudder Aumeens appointed under Regulation V. 1831, viz. Rs. 300 a month, including 60 Rs. for establishment; and that there shall be two more grades of Salary, viz. Rs. 400 and Rs. 500 a month, to which the Deputy Collectors shall be entitled to rise after intervals of five years, provided the Government should be satisfied, on Report from the Board and Local Officers, or from other information, that the individuals merit the indulgence.

10. The above scale, however, is not to be understood as precluding Government, in special cases, from bestowing the higher rates of Salary, previously to the expiration of the periods specified, on persons who may have distinguished themselves particularly, and also in favor of persons, such as Tehsildars, Principal Sudder Aumeens, or Sudder Aumeens, who may be peculiarly qualified for Revenue duties, and whose present allowances may exceed or nearly equal the lowest rate of 300 Rs.

11. These Rules are to apply to all persons, whether temporarily or permanently appointed to the Office of Deputy Collector under the Regulation.

FORM OF THE NOMINATION OF DEPUTY COLLECTORS.

Ships which may be engaged from this to bring Salt from Ceylon during the N. E. Monsoon, will have to proceed in the first instance to Colombo, and to take in their Cargoes at Hambantotty and the adjacent Station of Kirinde Bay, or in the Gulf of Manar, at the option of the Ceylon Government.

Ships calling for the above purpose at Colombo will not be subjected to Port Charges, and an Officer of the Master Attendant's Department will, if required, be put on board Ships proceeding to the Gulf of Manar. 2. The Tender must state the price per 100 Maunds each of 40 Seers and 82 Sicca Weight to the Seer, at which the Tendering Party will undertake to deliver the Salt at Sulkea Golahs within the period prescribed.

3. The Tendering Party will signify his assent to all the other terms of the Notification of His Majesty's Govern- ment at Ceylon dated 23d October, 1832.

4. Parties are to understand that for any Salt tendered to be Imported, but not brought here until after the pre- scribed period, viz. the 1st January 1834, a payment of 72 Rupees the 100 Maunds, under the terms of the Notifi- cation of the 23d October 1832, will only be allowed.

5. The Board reserve to themselves the power of re- jecting any Tender without assigning cause of rejection.

Board of Customs, Salt and Opium, the 22d August, 1833,
H. M. PARKER, Secretary.

WITH reference to the foregoing Notice from the Cey- lon Government of the 23d October last, the Public are now informed, that on the 31st ultimo, the quan- tities of Salt available for Exportation to Calcutta, were as follows:

Point Pedro, ...	1,42,000	Parras.
Cavts, ...	62,000	"
Hambantotly Bay, ...	1,00,000	"
Kirinde Bay, 15 miles N. E. from } Hambantotly, ...	1,50,000	"
Colombo, (if required,)	50,000	"
	5,04,000	

It should be remarked, that Ships are not expected to load at Point Pedro after the beginning of next Month—but at Hambantotly it is not likely that any difficulty will be ex- perienched except during occasional intervals of bad weather. Less is known with regard to the facilities afforded for large Vessels at Kirinde Bay, but further information on this subject is expected shortly from Colombo. In addition to the Salt in store at the above Stations, directions have been issued by the Authorities at Ceylon for Fifty Thousand Parras being forthwith provided at Manar, and an equal quantity in the vicinity of Calpentyn, in case of any disap- pointment being experienced at Hambantotly.

Ships which may be engaged from this to bring Salt from Ceylon during the N. E. Monsoon, will have to proceed in the first instance to Colombo, and to take in their Cargoes at Hambantotly and the adjacent Station of Kirinde Bay, or in the Gulph of Manar, at the option of the Ceylon Government.

Ships calling for the above purpose at Colombo will not be subjected to Port Charges, and an Officer of the Master Attendant's Department will, if required, be put on board Ships proceeding to the Gulph of Manar. The Salt at Manar and Calpentyn will be furnished at the established rate of 3d per Parras.

G. A. BUSHBY, *Offy. Secy. to Govt.*

ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL IN COUNCIL.

JUDICIAL AND REVENUE DEPARTMENT,
THE 7TH OCTOBER, 1833.

The following Copies of Proposed Regulations, read in Council for the first time on the 7th October, are published for general information.

A REGULATION for abolishing Corporal Punishment; for substituting a fine in certain cases for a sentence of labor; and for the gradual introduction of a better system of Prison Discipline.

Preamble. Whereas Corporal Punishment has not been found efficacious for the prevention of crime either by reformation or by example; and whereas it is always de-

grading to the individual, and by affixing marks of infamy which often are for ever indelible, prevents his return to an honest course of life; and whereas there is every reason to fear that it is in many cases injudiciously and unnecessarily inflicted, becoming a grievous and irremediable wrong; and whereas it is becoming and expedient that the British Government, as the paramount power in India, should present in its own system the principles of the most enlightened legislation, and should endeavour by its example to encourage the Native States to exchange their barbarous and cruel punishments of maiming, of torture, of loss of limb, for those of a more merciful and wise character, by which the individual may be reformed and the community saved from these brutalizing exhibitions; and whereas it has been deemed expedient to authorize the substitution of a fine in lieu of labor, in certain minor offences, for which the Criminal Courts are empowered by existing Regulations to pass sentence of imprisonment with labor, either with or without irons; and whereas it has been deemed necessary to provide for the gradual introduction of a better system of prison discipline; the following Rules have been enacted to be in force from the date of their promulgation throughout the Territories subject to the Presidency of Fort William.

Parts of the existing Regulations which authorize sentences of corporal punishment, rescinded.

II. *First.* All provisions of the existing Regulations which authorize a sentence of corporal punishment by any Court or any Officer exercising magisterial powers, are hereby rescinded.

What additional imprisonment to be imposed instead of corporal punishment.

Second. Whenever a case may come before such Court or Officer, in which a Prisoner would be liable to corporal punishment under the existing Regulations, in addition to the period of imprisonment limited by the Regulations, it shall be competent to such Court or Officer passing sentence to direct an additional period of imprisonment as follows—Courts of Nizamut Adawlut or Courts of Session and Circuit two years—Magistrates or Joint Magistrates one year—Assistants, Principal and other Sudder Amceens one month.

For what offences Criminal Courts are required to commute the penalty of labor in irons, to a fine.

III. *First.* In all cases of conviction for offences, other than Murder, Deceit, Highway Robbery, Burglary, Theft, receiving stolen or plundered Property, Forgery, Perjury, Arson, Rape, and generally all other

offences in which a sentence of five or more years imprisonment may be passed, the Criminal Courts are hereby required to commute the penalty of labor in irons, which they are authorized to award in addition to imprisonment, to a fine not exceeding the amount which they are respectively competent to impose under the Regulations in force, such fine to be regulated with reference to the nature of the offence, the circumstances in life of the offender, and the term of imprisonment to which he may be sentenced.

Fine how to be regulated.

The Court imposing the fine shall fix a certain day within a reasonable time for the payment thereof, and direct that, in default of payment by the period prescribed, the prisoner be subjected to labor without fetters, until such fine be paid, or if not paid, until the completion of the term of his sentence. Nothing however in the foregoing Rule shall be construed to supersede the power to the Commissioners of Circuit, Session Judges, or Nizamut Adawlut, of exempting persons from labor and irons in any case whatever in which they may deem such exemption just and proper.

Proviso, in event of default of payment of fine.

Farther Proviso.

Prisoners exempted, or declared entitled to exemption, from labor on the payment of a fine, to be kept separate, as far as practicable, from Convicts sentenced to labor in irons.

Second. All prisoners who may be exempted, or may be declared entitled to exemption from labor on payment of a fine under the Rule prescribed in the preceding Clause shall, as far as practicable, be kept separate, both in and out of the Jail, from Convicts under sentence of labor in irons; and Magistrates and Superintendents of Prisoners and their subordinate Officers shall be careful to prevent all communication between the two classes.

The Rules contained in Section III. shall be held to apply equally to persons convicted by the Zillah and City Magistrates, Joint Magistrates and Assistants, and by the Principal and other Sudder Amcees, but are not intended to interfere with the general discretion vested in the Magistrates of imposing fetters, or otherwise restraining refractory Prisoners under the provisions now in force for that purpose.

IV. A REGULATION for facilitating the Collection of the Revenue of Government, and defining the interest intended to be conveyed by Public Sales for the realization of arrears of the Public Revenue in Putteedaree Tenures.

Preamble.

The Regulations in force authorize the application of duress for enforcing the payment of arrears of the Public Revenue, only against the person and property of the Contracting Malgoozar, leaving him to proceed against the Putteedars by Suit or distraint. But with

reference to the peculiar nature of these Coparcenaries, the existing enactments appear to be insufficient, on the one hand, for the protection of the rights of the Putteedars, and, on the other hand, for the punctual realization of the dues of Government. The Regulations are also deficient in not authorizing with sufficient distinctness the sale or transfer of the Puttees of defaulting Putteedars in Coparcenary Estates, and in not defining the interest intended to be conveyed by public sales of such Estates.

Further Rules are likewise required for the due protection of the Ryots, whose right to the permanent occupancy of their Lands may have been ascertained and recognized at a Settlement formed according to the Rules of Regulation VII. 1822, as modified by Regulation IX. of 1833.

Provisions of existing Regulations which authorize modes of duress in realizing the Public Revenue from recorded Malgoozars, extended to Putteedars, whose tenures have been defined as specified.

I. The provisions of the Regulations in force, indicating and authorizing the several modes of duress to be employed for the realization of the Public Revenue from recorded Malgoozars, are hereby extended to all Putteedars whose tenure and interest may have been defined by a Settlement formed according to Regulation VII. of 1822, as modified by Regulation IX. of 1833, whether every such Putteedar be in sole occupation of his Puttee, or holds in common with a part of the brethren, of whom he is the representative.

Statement of the modes of process intended to apply to Putteedars under this Regulation.

II. The modes of process intended to apply to Putteedars under this Regulation are as follows:

1st. Issue of Disticks in the same manner and under the same limitation as authorized by the Rules in force for Lumburdars.

2d. Arrest, detention, imprisonment, distraint, and sale of personal property, as now authorized to be enforced against Lumburdars.

3d. Transfer of the defaulting Puttee in perpetuity to the Members of any other Puttee which may not be in arrear.

4th. Annulment of the Settlement as regards the defaulting Puttee, and lease thereof to the Members of any other Puttee which may not be in arrear, or to a stranger, for any term not exceeding fifteen years.

5th. Sale of the defaulting Puttee by Public Auction, in which case the members of the remaining Puttees who may not be in arrear are authorized to bid.

Privilege of pre-emption allowed to Putteedars, and other members of Coparcenaries, not being themselves in arrear, when Puttees are sold by Auction.

III. To obviate as far as possible the forced dissolution of Coparcenaries, it is hereby enacted, that on occasion of the sale by Public Auction of any Puttee, if the lot shall have been knocked down to a stranger, any Putteedar or other member of the Coparcenary, not being himself in arrear, may claim to take the said Puttee at the sum last bid.—Provided always, that the said demand of pre-emption be made on the day of sale, and before the Collector shall have left the Office; and provided further, that the claimant fulfil all the other conditions of the sale.

Proviso.

of sale, and before the Collector shall have left the Office; and provided further, that the claimant fulfil all the other conditions of the sale.

Above modes of process to be employed by Collectors under what limitation and control.

IV. The above methods are to be employed by the Collector, or other Officer vested with the powers of Collector, under such limitation and control as Government or other Superior Revenue Authorities shall see fit to prescribe or enforce.

What powers to be exercised by Collectors of transferring defaulting Puttees by way of conditional sale.

V. It is further hereby provided that it shall be lawful for a Collector, under the limitation and control above mentioned, in case the arrear due from any Puttee shall not be made good by a day to be fixed by him, and such course should be considered by him expedient, to transfer the defaulting Puttee by way of conditional sale to the members of any Puttee not in arrear, or to a stranger, on payment of the arrear. The condition of this transfer to be, that if the amount of the arrear, together with interest thereon at 12 per cent. per annum, be deposited by all or any of the members

What to be the condition of such transfers.

of the defaulting Puttee, in the Collector's Treasury, with a written application, stating by whom the deposit is made, and in what proportions, within the term of five years, from the date of the transfer, the Collector shall straightway pay over the same to the parties by whom the arrear shall have been made good, and shall declare the sale cancelled, and reinstate the applicants from the commencement of the ensuing Fuzlee year. If the principal and interest as above be not made good within the term of five years, the sale to be declared absolute. Any party whose interest was defined in the Settlement proceeding, who from absence or inability to make good his quota for other cause, may not have joined in the first application, may be subsequently admitted, on paying up the amount of principal and interest due from him within five years from the original transfer. But after the expiration of that term, no party shall be admitted by the Collector.

Rules of proceeding in cases where Puttees are sold by Public Auction.

VI. The sale of any Puttee by Public Auction shall be effected in respect to the notice to be issued, the authority to be obtained, and the mode of conducting the sale according to the Rules prescribed by Regulation XI. of 1822, for the sale of an entire Muhal, and the Puttee, after the sale shall have been duly confirmed, shall be the absolute property of the purchaser, save and except always the rights of those Ryots whose right to the permanent occupancy of their lands may have been recognized, and the rates of rent payable by whom may have been adjusted and recorded at the last Settlement.

What to be effect of sale.

Ryots whose right to the permanent occupancy of their lands may have been recognized, and the rates of rent payable by whom may have been adjusted and recorded at the last Settlement.

Prohibition against Putteedars holding or cultivating any land in a Puttee sold or temporarily transferred, unless they shall have first executed written engagements to pay rent at the rate demanded by the Purchaser or Transferee.

engagement to pay rent to the Purchaser or Transferee, at the rate demanded by the Purchaser or Transferee.

What to be taken as sufficient evidence of an arrear being due from a Puttee.

and arrear due from, each Puttee, shall be taken to be sufficient evidence of the arrear due from that Puttee, and these Papers shall invariably be filed with the Collector's Proceedings.

How Collectors may give possession to Purchasers and Transferees under this Regulation.

Nothing in this Regulation to bar the right of Government to hold entire Coparcenaries or entire Muhals responsible for the amount of the whole Jumma, and to enforce the existing Regulations for the transfer or sale of the whole Muhals, when deemed just and expedient. Declaration in modification of Regulation XI. of 1822 as to the effect of transfer or sale of whole Muhals.

VII. In case of the lease, mortgage, or other temporary transfer of any Puttee as above said, no member of that Puttee shall be entitled to cultivate any land therein, during the term of such transfer, or in case of absolute sale, no member of the Puttee shall be entitled to hold or cultivate any land therein, from and after the month of Bysack next succeeding such sale; unless the said member of such sold or transferred Puttee shall first execute a written engagement to pay rent to the Purchaser or Transferee, at the rate demanded by the Purchaser or Transferee.

VIII. A copy of the Jumma Wassil Bakce and Detailed Khuteence of the Tuhseeldar, signed and sealed by him, and countersigned by the Kanoongoes and Putwary, exhibiting in detail the amount paid by, and arrear due from, each Puttee, shall be taken to be sufficient evidence of the arrear due from that Puttee, and these Papers shall invariably be filed with the Collector's Proceedings.

IX. The Collector is empowered to give possession to all Purchasers and Transferees under this Regulation, in the mode authorized by Clause 3, Section XXIII. of Regulation VII. 1822.

X. The above Rules being intended solely for the protection and welfare of the Putteedars in Coparcenary Estates, it is hereby declared that nothing contained in this Regulation shall bar the right of Government to hold the entire Coparcenary and the entire Muhal, responsible for the amount of the whole Jumma, and to enforce the existing Regulations for the transfer or sale of the whole Muhal whenever it shall appear to them just and expedient. In every such case it is hereby declared, in modification of Regulation XI. of 1822, that the entire proprietary rights of every member of the Coparcenary shall be annulled and forfeited, and the provisions of Section VII. of this Regulation shall be applicable to every member of the Coparcenary.

What Penalty to attach to Zemindars convicted of exacting from a Ryot, whose right has been ascertained, as specified, at the Settlement, any sum in excess of the rate or rent then adjusted.

XI. Any Zemindar who shall be convicted in a Summary Suit before the Collector, or in a regular Suit in any Court of Justice competent to take cognizance of the same, of exacting from a Ryot whose right to the permanent occupancy of his land shall have been ascertained and recognized, and the rent payable by whom shall have been adjusted and recorded, at the Settlement, any sum in excess of the rate or rent so adjusted, shall, in addition to the refund of the amount extorted, with damages as already authorized by the Regulations, be deemed guilty of a misdemeanor, and liable to a fine not exceeding one hundred rupees for the first offence, and two hundred rupees for the second and every subsequent offence.

A Pottah how to be obtained by any Ryot whose right shall have been ascertained as above.

XII. Any Ryot whose right of permanent occupancy and rent shall have been ascertained and recorded as above said, is at liberty to apply to the Collector for a Pottah defining the conditions under which he is entitled to cultivate according to the proceeding of Settlement, and the Collector is hereby authorized and required to comply with every such application.

3. The return of the exact sum deposited, together with the interest due thereon at the undermentioned rate, is secured to the Depositor under guarantee of the Supreme Government.
4. The general direction and control of the Bank shall be vested in a Committee of Management, consisting of Covenanted Civil and Military Officers of the Government, and other persons to be nominated by the Governor General in Council. The Committee shall meet at such stated periods as may be necessary for the due and efficient control of the Proceedings of the Bank.
5. The Government Agents are charged with the immediate superintendence and execution of all details connected with the Bank. They will also be Ex-Officio Members of the Committee of Management. The Third Government Agent will be Ex-Officio Secretary to the Bank.
6. A Register of Deposits will be kept, and generally such other accounts as may be determined on, and approved of, by the Managing Committee.
7. Any sum not less than One Rupee will be received in Deposit.
8. Whenever the sum deposited by any one individual shall amount to 500 Rupees, the same will be transferred from the Bank and subscribed on account of the Depositor to the Four per Cent. Government

Loan, until further notice, unless an intimation of its withdrawal or the withdrawal of a portion of it be given by the Depositor within One month after it has reached that amount.

9. Interest at 4 per Cent. per annum will be allowed on Deposits until further notice.

10. Interest will be calculated on a Deposit from the first day of the month succeeding that in which it shall be received and up to the last day of the month preceding that in which it shall be withdrawn. No Interest will be allowed for broken periods of a month, nor calculated on fractional parts of a Rupee.

11. The Government reserves to itself the power of lowering or raising the rate of Interest, such alteration not to affect Deposits above 500 Rupees previously invested in Public Securities, and due notice to be given in the *Calcutta Gazette* of the intention of Government six months before the alteration shall take effect.

12. All Deposits will be regularly entered in a Book at the time they are made, and the Depositor of the Deposit made at the Presidency, will be furnished with a small Book having a duplicate of the entry. This book is to be brought to the Bank whenever any sum is deposited or withdrawn. The account thus kept will be closed on the 30th April of every year, and the balance of interest due at that period will be paid to the Depositor, or carried to account, thenceforward to accumulate at compound yearly interest, until it shall amount to 500 Rupees, when the same will be transferred from the accounts of the Bank, and subscribed on account of the Depositor to the Government 4 per Cent. Loan as per Rule 8, unless notice of withdrawal be given within one month as above, or unless the rate of Interest be altered as provided for in Rule 11.

13. No person or persons to deposit money in Trust for any other person or persons; provided, however, that this rule shall not be construed to prohibit individuals resident out of Calcutta, who cannot attend personally from making their Deposits by any other responsible person; or parents from making Deposits on behalf and on account of their children, or females, who according to the manners and customs of the Country do not usually make their appearance in public, from making such Deposits by the hands of other persons.

14. No sum deposited to be transferable excepting on the personal application of the Depositor, supported by written sanction.—When peculiar circumstances render a deviation from this rule necessary the case shall be submitted to the Committee of Management for their sanction.

15. No person will be allowed to Deposit any money without making known his or her name, together with his or her profession, business, occupation, calling, and residence. A duplicate of this description will be entered in each Depositor's Book, to be produced whenever any sum is afterwards deposited or withdrawn.

16. Depositors will be at liberty at any time to withdraw any sums or portions of sums deposited by them, receiving interest calculated up to the end of the month preceding that in which the withdrawal is made.

17. As a general rule, Deposits, with the interests due thereon, will be repaid to the Depositors personally in all practicable cases. In the case of individuals unable to attend in person, the Secretary will exercise his discretion in regard to re-payment of Deposits to responsible persons duly authorized by such absentees to receive the same.

18. Military Officers and Soldiers, European and Native, will be allowed to invest their Savings in the Government Savings Bank, through the Paymasters of Corps or Divisions; and Paymasters are hereby authorized to receive Subscriptions to the Bank, or to deduct monthly from their Abstracts such sums as the parties within their circle of payment may be desirous of depositing, not being less than One Rupee, nor more than Five Hundred Rupees.

ORDERS BY THE RIGHT HONORABLE THE
GOVERNOR GENERAL IN COUNCIL.
JUDICIAL AND REVENUE DEPARTMENT.

THE 7TH OCTOBER, 1833.

The following Copies of Proposed Regulations, read in Council for the first time on the 7th October, are published for general information.

A REGULATION for abolishing Corporal Punishment; for substituting a Fine in certain cases for a sentence of labor; and for the gradual introduction of a better system of Prison Discipline.

Preamble. Whereas Corporal Punishment has not been found efficacious for the prevention of crime either by reformation or by example; and whereas it is always degrading to the individual, and by affixing marks of in-

famy which often are for ever indelible, prevents his return to an honest course of life; and whereas there is every reason to fear that it is in many cases injudiciously and unnecessarily inflicted, becoming a grievous and irremediable wrong; and whereas it is becoming and expedient that the British Government, as the paramount power in India, should present in its own system the principles of the most enlightened legislation, and should endeavour by its example to encourage the Native States to exchange their barbarous and cruel punishments of maiming, of torture, of loss of limb, for those of a more merciful and wise character, by which the individual may be reformed and the community saved from these brutalizing exhibitions; and whereas it has been deemed expedient to authorize the substitution of a fine in lieu of labor, in certain minor offences, for which the Criminal Courts are empowered by existing Regulations to pass sentence of imprisonment with labor, either with or without irons; and whereas it has been deemed necessary to provide for the gradual introduction of a better system of prison discipline; the following Rules have been enacted to be in force from the date of their promulgation throughout the Territories subject to the Presidency of Fort William.

Parts of the existing Regulations which authorize sentences of corporal punishment, rescinded.

II. First. All provisions of the existing Regulations which authorize a sentence of corporal punishment by any Court or any Officer exercising magisterial powers, are hereby rescinded.

What additional imprisonment to be imposed instead of corporal punishment.

Second. Whenever a case may come before such Court or Officer, in which a Prisoner would be liable to corporal punishment under the existing Regulations in addition to the period of imprisonment limited by the Regulations, it shall be competent to such Court or Officer passing sentence to direct an additional period of imprisonment as follows—Courts of Nizamut Adawlut or Courts of Session and Circuit two years—Magistrates or Joint Magistrates one year—Assistants, Principal and other Sudder Amceens one month.

For what offences Criminal Courts are required to commute the penalty of labor in irons, to a fine.

III. First. In all cases of conviction for offences, other than Murder, Decoity, Highway Robbery, Burglary, Theft, receiving stolen or plundered Property, Forgery, Perjury, Arson, Rape, and generally all other

offences in which a sentence of five or more years imprisonment may be passed, the Criminal Courts are hereby required to commute the penalty of labor in irons, which they are authorized to award in addition to imprisonment, to a fine not exceeding the amount which they are respectively competent to impose under the Regulations in force, such fine to be regulated with reference to the nature of the offence, the circumstances in life of the offender, and the term of imprisonment to which he may be sentenced.

Fine how to be regulated.

Proviso, in event of default of payment of fine.

The Court imposing the fine shall fix a certain day within a reasonable time for the payment thereof, and direct that, in default of payment by the period prescribed, the prisoner be subjected to labor without fetters, until such fine be paid, or if not paid, until the completion of the term of his sentence. Nothing however in the foregoing Rule shall be construed to supersede the power to the Commissioners of Circuit, Session Judges, or Nizamut Adawlut, of exempting persons from labor and irons in any case whatever in which they may deem such exemption just and proper.

Further Proviso.

Prisoners exempted, or declared entitled to exemption from labor on the payment of a fine, to be kept separate, as far as practicable, from Convicts sentenced to labor in irons.

Second. All prisoners who may be exempted, or may be declared entitled to exemption from labor on payment of a fine under the Rule prescribed in the preceding Clause shall, as far as practicable, be kept separate, both in and out of the Jail, from Convicts under sentence of labor in irons; and Magistrates and Superintendents of Prisons and their subordinates shall be careful to prevent all communication between the two classes.

The Rules contained in Section III. declared applicable to persons convicted by Magistrates, Joint Magistrates, Assistants and Principal Amceens, but not to interfere with the Magistrates' discretion of imposing fetters in certain cases.

Magistrates how to proceed in cases where they are of opinion that prisoners now in Jail, should be allowed the benefit of the Rules in Sections III. and IV.

Commissioner of the Division, or to the Session Judge, if the sentence on the prisoner shall have been passed by the latter, stating the amount of the fine which should, in his opinion, be demanded from such prisoner in lieu of labor.

Powers of a Commissioner of Circuit or Session Judge in such cases where the sentence has been passed by their Courts.

to the foregoing provisions.

Powers of a Commissioner where sentence has been passed by a Magistrate or other inferior Court.

the two foregoing Sections.

Commissioner how to proceed when sentence has been passed by the Nizamut Adawlut.

The Rules contained in Clause First, Section II. not to exempt Convicts sentenced to labor in irons from moderate corporal punishment, during their imprisonment, when unavoidable for the maintenance of discipline of Jails.

The Governor General in Council declared competent to issue orders for the introduction of a proper system of discipline into Jails.

to deter others from the commission of crime.

A REGULATION for facilitating the Collection of the Revenue of Government, and defining the interest intended to be covered by Public Sales for the realization of arrears of the Public Revenue in Putteedar Tenures.

Enacted.

Public Revenue, and against the person and property

IV. The Rules contained in Section III. shall be held to apply equally to persons convicted by the Zillah and City Magistrates, Joint Magistrates and Assistants, and by the Principal and other Sudder Amceens, but are not intended to interfere with the general discretion vested in the Magistrates of imposing fetters, or otherwise restraining refractory Prisoners under the provisions now in force for that purpose.

V. First. It being desirable that the Rules in the two preceding Sections should be made applicable to prisoners now in Jail under similar circumstances, it is further enacted that whenever in any case the Magistrate shall be of opinion that a prisoner ought to be allowed the benefit of them, he shall report the circumstances of the case to the

Second. In cases in which the sentence may have been passed by a Commissioner of Circuit or Session Judge, it shall be competent to those Officers respectively either on the report of the Magistrate, or on other information before them, to revise the sentence with reference

Third. In cases in which the sentence may have been passed by a Magistrate, Joint Magistrate, or other inferior Court, the Commissioner is hereby authorized to grant or direct exemption from labor, under the provisions generally of

Fourth. If the sentence shall have been passed by the Nizamut Adawlut, the Commissioner shall refer the case, with his opinion thereon, for the consideration and orders of that Court.

VI. It is hereby declared that the provisions of Clause First, Section II. of this Regulation, shall not exempt Convicts sentenced to labor in irons, from such moderate corporal punishment during their imprisonment as may be unavoidable for the maintenance of the discipline of the Jails.

VII. It shall be competent to the Governor General, by an order in Council, to issue such orders as he may from time to time deem necessary, for the introduction of a system of discipline into the Jails, calculated both to reform the Convicts and to render their imprisonment efficacious as an example to

of the Contracting Malgoosar, leaving him to proceed against the Putteedars by Suit or distraint. But with reference to the peculiar nature of these Coparcenaries, the existing enactments appear to be insufficient, on the one hand, for the protection of the rights of the Putteedars, and, on the other hand, for the punctual realization of the dues of Government. The Regulations are also deficient in not authorizing with sufficient distinctness the sale or transfer of the Puttees of defaulting Putteedars in Coparcenary Estates, and in not defining the interest intended to be conveyed by public sales of such Estates.

Further Rules are likewise required for the due protection of the Ryots, whose right to the permanent occupancy of their Lands may have been ascertained and recognized at a Settlement formed according to the Rules of Regulation VII. 1822, as modified by Regulation IX. of 1833.

The following Provisions have therefore been enacted to be in force from the date of their promulgation, wherever the Provisions of Regulation VII. of 1822, modified as above, are in operation.

Provisions of existing Regulations which authorize modes of duress in realizing the Public Revenue from recorded Malgoosars, extended to Putteedars, whose tenures have been defined as specified.

Statement of the modes of process intended to apply to Putteedars under this Regulation.

2d. Arrest, detention, imprisonment, distraint, and sale of personal property, as now authorized to be enforced against Lumburdars.

3d. Transfer of the defaulting Puttee in perpetuity to the Members of any other Puttee which may not be in arrear.

4th. Annulment of the Settlement as regards the defaulting Puttee, and lease thereof to the Members of any other Puttee which may not be in arrear, or to a stranger, for any term not exceeding fifteen years.

5th. Sale of the defaulting Puttee by Public Auction, in which case the members of the remaining Puttees who may not be in arrear are authorized to bid.

I. The provisions of the Regulations in force, indicating and authorizing the several modes of duress to be employed for the realization of the Public Revenue from recorded Malgoosars, are hereby extended to all Putteedars whose tenure and interest may have been defined by a Settlement formed according to Regulation VII. of 1822, as modified by Regulation IX. of 1833, whether every such Putteedar be in sole occupation of his Puttee, or holds in common with a part of the brethren, of whom he is the representative.

II. The modes of process intended to apply to Putteedars under this Regulation are as follows:

1st. Issue of Dasticks in the same manner and under the same limitation as authorized by the Rules in force for Lumburdars.

III. To obviate as far as possible the forced dissolution of Coparcenaries, it is hereby enacted, that on occasion of the sale by Public Auction of any Puttee, if the lot shall have been knocked down to a stranger, any Putteedar or other member of the Coparcenary, not being himself in arrear, may claim to take the said Puttee at the sum last bid.—Provided always, that the said demand of pre-emption be made on the day of sale, and before the Collector shall have left the Office; and provided further, that the claimant fulfil all the other conditions of the sale.

IV. The above methods are to be employed by the Collector, or other Officer vested with the powers of Collector, under such limitation and control as Government or other Superior Revenue Authorities shall see fit to prescribe or enforce.

V. It is further hereby provided that it shall be lawful for a Collector, under the limitation and control above mentioned, in case the arrear due from any Puttee shall not be made good by a day to be fixed by him, and such course should be considered by him expedient, to transfer the defaulting Put-

per annum, be deposited by all or any of the members of the defaulting Puttee, in the Collector's Treasury, with a written application, stating by whom the deposit is made, and in what proportions, within the term of five years, from the date of the transfer, the Collector shall straightway pay over the same to the parties by whom the arrear shall have been made good, and shall declare the sale cancelled, and reinstate the applicants from the commencement of the ensuing Fuzlee year. If the principal and interest as above be not made good within the term of five years, the sale to be declared absolute. Any party whose interest was defined in the Settlement proceeding, who from absence or inability to make good his quota or other cause, may not have joined in the first application, may be subsequently admitted, on paying up the amount of principal and interest due from him within five years from the original transfer. But after the expiration of that term, no party shall be admitted by the Collector.

Rules of proceeding in cases where Puttees are sold by Public Auction. VI. The sale of any Puttee by Public Auction shall be effected in respect to the notice to be issued, the authority to be obtained, and the mode of conducting the sale according to the Rules prescribed by Regulation XI. of 1822, for the sale of an entire Muhul, and the Puttee, after the sale shall have been duly confirmed, shall be the absolute property of the purchaser, save and except always the rights of those

Ryots whose right to the permanent occupancy of their lands may have been recognized, and the rates of rent payable by whom may have been adjusted and recorded at the last Settlement.

Prohibition against Putteedars holding or cultivating any land in a Puttee sold or temporarily transferred, unless they shall have first executed written engagements to pay rent at the rate demanded by the Purchaser or Transferee. VII. In case of the lease, mortgage, or other temporary transfer of any Puttee as above said, no member of that Puttee shall be entitled to cultivate any land therein, during the term of such transfer, or in case of absolute sale, no member of the Puttee shall be entitled to hold or cultivate any land therein, from and after the month of Bysack next succeeding such sale; unless the said member of such sold or transferred Puttee shall first execute a written engagement to pay rent to the Purchaser or Transferee, at the rate demanded by the Purchaser or Transferee.

What to be taken as sufficient evidence of an arrear being due from a Puttee. VIII. A copy of the Jumma Wassil Bakes and Detailed Khutancee of the Tuhseeldar, signed and sealed by him, and countersigned by the Kanoongoes and Putwary, exhibiting in detail the amount paid by, and arrear due from, each Puttee, shall be taken to be sufficient evidence of the arrear due from that Puttee, and these Papers shall invariably be filed with the Collector's Proceedings.

How Collectors may give possession to Purchasers and Transferees under this Regulation. IX. The Collector is empowered to give possession to all Purchasers and Transferees under this Regulation, in the mode authorized by Clause 3, Section XXIII. of Regulation VII. 1822.

Nothing in this Regulation to bar the right of Government to hold entire Coparcenaries or entire Muhals responsible for the amount of the whole Jumma, and to enforce the existing Regulations for the transfer or sale of the whole Muhals, when deemed just and expedient. X. The above Rules being intended solely for the protection and welfare of the Putteedars in Coparcenary Estates, it is hereby declared that nothing contained in this Regulation shall bar the right of Government to hold the entire Coparcenary and the entire Muhul, responsible for the amount of the whole Jumma, and to enforce the existing Regulations for the transfer or sale of the whole Muhul whenever it shall appear to them just and expedient. In every such case it is hereby declared, in modification of Regulation XI. of 1822, that the entire proprietary rights of every member of the

Any Zemindar who shall be convicted in a Summary Suit before the Collector, or in a regular Suit in any Court of Justice competent to take cognizance of the same, of exacting from a Ryot whose right to the permanent occupancy of his land shall have been ascertained and recognized, and the rent payable by whom shall have been adjusted and recorded, at the Settlement, any sum in excess of the rate or rent so adjusted, shall, in addition to the refund of the amount extorted, with damages as already authorized by the Regulations, be deemed guilty of a misdemeanor, and liable to a fine not exceeding one hundred rupees for the first offence, and two hundred rupees for the second and every subsequent offence.

A Pattah how to be obtained by any Ryot whose right shall have been ascertained as above. XII. Any Ryot whose right of permanent occupancy and rent shall have been ascertained and recorded as above said, is at liberty to apply to the Collector for a Pattah defining the conditions under which he is entitled to cultivate according to the proceeding of Settlement, and the Collector is hereby authorized and required to comply with every such application.

In addition to the Salt in store at the above Stations, directions have been issued by the Authorities at Ceylon for Fifty Thousand Parras being forthwith provided at Manar, and an equal quantity in the vicinity of Calpentyn, in case of any disappointment being experienced at Hambantotly.

Ships which may be engaged from this to bring Salt from Ceylon during the N. E. Monsoon, will have to proceed in the first instance to Colombo, and to take in their Cargoes at Hambantotly and the adjacent Station of Kirinde Bay, or in the Gulf of Manar, at the option of the Ceylon Government.

Ships calling for the above purpose at Colombo will not be subjected to Port Charges, and an Officer of the Master Attendant's Department will, if required, be put on board Ships proceeding to the Gulf of Manar. The Salt at Manar and Calpentyn will be furnished at the established rate of 3d per Parras.

FORT WILLIAM,
FINANCIAL DEPARTMENT, THE 7TH OCT. 1833.

The Right Honorable the Governor General in Council directs that the following Rules of a Savings Bank, established in Calcutta under the guarantee and responsibility of Government, be published for general information.

1. The Bank to be denominated "the Government Savings Bank."
2. All Classes, British and Native, may invest their Savings in the Government Savings Bank.
3. The return of the exact sum deposited, together with the interest due thereon at the undermentioned rate, is secured to the Depositor under guarantee of the Supreme Government.
4. The general direction and control of the Bank shall be vested in a Committee of Management, consisting of Covenanted Civil and Military Officers of the Government, and other persons to be nominated by the Governor General in Council. The Committee shall meet at such stated periods as may be necessary for the due and efficient control of the Proceedings of the Bank.
5. The Government Agents are charged with the immediate superintendence and execution of all details connected with the Bank. They will also be Ex-Officio Members of the Committee of Management. The Third Government Agent will be Ex-Officio Secretary to the Bank.
6. A Register of Deposits will be kept, and generally such other accounts as may be determined on, and approved of, by the Managing Committee.
7. Any sum not less than One Rupee will be received in Deposit.

8. Whenever the sum deposited by any one individual shall amount to 500 Rupees, the same will be transferred from the Bank and subscribed on account of the Depositor to the Four per Cent. Government Loan, until further notice, unless an intimation of its withdrawal or the withdrawal of a portion of it be given by the Depositor within One month after it has reached that amount.

9. Interest at 4 per Cent. per annum will be allowed on Deposits until further notice.

10. Interest will be calculated on a Deposit from the first day of the month succeeding that in which it shall be received and up to the last day of the month preceding that in which it shall be withdrawn. No Interest will be allowed for broken periods of a month, nor calculated on fractional parts of a Rupee.

11. The Government reserves to itself the power of lowering or raising the rate of Interest, such alteration not to affect Deposits above 500 Rupees previously invested in Public Securities, and due notice to be given in the *Calcutta Gazette* of the intention of Government six months before the alteration shall take effect.

12. All Deposits will be regularly entered in a Book at the time they are made, and the Depositor of the Deposit made at the Presidency, will be furnished with a small Book having a duplicate of the entry. This book is to be brought to the Bank whenever any sum is deposited or withdrawn. The account thus kept will be closed on the 30th April of every year, and the balance of interest due at that period will be paid to the Depositor, or carried to account, thenceforward to accumulate at compound yearly interest, until it shall amount to 500 Rupees, when the same will be transferred from the accounts of the Bank, and subscribed on account of the Depositor to the Government 4 per Cent. Loan as per Rule 8, unless notice of withdrawal be given within one month as above, or unless the rate of Interest be altered as provided for in Rule 11.

13. No person or persons to deposit money in Trust for any other person or persons; provided, however, that this rule shall not be construed to prohibit individuals resident out of Calcutta, who cannot attend personally from making their Deposits by any other responsible person; or parents from making Deposits on behalf and on account of their children, or females, who according to the manners and customs of the Country do not usually make their appearance in public, from making such Deposits by the hands of other persons.

14. No sum deposited to be transferable excepting on the personal application of the Depositor, supported by written sanction.—When peculiar circumstances render a deviation from this rule necessary the case shall be submitted to the Committee of Management for their sanction.

15. No person will be allowed to Deposit any money without making known his or her name, together with his or her profession, business, occupation, calling, and residence. A duplicate of this description will be entered in each Depositor's Book, to be produced whenever any sum is afterwards deposited or withdrawn.

16. Depositors will be at liberty at any time to withdraw any sums or portions of sums deposited by them, receiving interest calculated up to the end of the month preceding that in which the withdrawal is made.

17. As a general rule, Deposits, with the interests due thereon, will be repaid to the Depositors personally in all practicable cases. In the case of individuals unable to attend in person, the Secretary will exercise his discretion in regard to re-payment of Deposits to responsible persons duly authorized by such absentees to receive the same.

18. Military Officers and Soldiers, European and Native, will be allowed to invest their Savings in the Government Savings Bank, through the Paymasters of Corps or Divisions; and Paymasters are hereby authorized to receive Subscriptions to the Bank, or to deduct monthly from their Abstracts such sums as the parties within their circle of payment may be desirous of depositing, not being less than One Rupee, nor more than Five Hundred Rupees.

19. The Deposits referred to in the preceding Rule are to be brought to the credit of Subscribers on the last day of the month, in which the payment or deduction is made; and Rules 16 and 17, respecting the withdrawal of Deposits by parties subscribing through Paymasters, will be carried into effect under instructions which will be furnished to the Paymasters by the Accountant to the Military Department.

20. In case of the death of a Depositor, the sum at his credit will be paid to his or her Executor or Assigns; or in case of no Will, according to the law on this head, or the Regulations of the Service, if the deceased be Military.

21. In case of any difference between the Secretary of the Bank and any Depositor, it shall be referred for the decision of the Committee of Management.

22. A General Statement of the Funds of the Bank shall be annually made out to the 30th April, after the 1st May. The same to be submitted for the information of Government and published in the *Calcutta Gazette*.

23. The Bank to be open daily, Sundays and Holidays excepted, and all balance above Five Hundred Rupees, to be paid over at the close of each day's Proceedings by the Secretary into the General Treasury, where an account with the Bank will be opened and kept.

The general direction and control of the Bank shall be vested in a Committee of Management, consisting of Covenanted Civil and Military Officers of the Government, and other persons to be nominated by the Governor General in Council. The Committee shall meet at such stated periods as may be necessary for the due and efficient control of the Proceedings of the Bank.
5. The Government Agents are charged with the immediate superintendence and execution of all details connected with the Bank. They will also be Ex-Officio Members of the Committee of Management. The Third Government Agent will be Ex-Officio Secretary to the Bank.
6. A Register of Deposits will be kept, and generally such other accounts as may be determined on, and approved of, by the Managing Committee.
7. Any sum not less than One Rupee will be received in Deposit.
8. Whenever the sum deposited by any one individual shall amount to 500 Rupees, the same will be transferred from the Bank and subscribed on account

of the Depositor to the Four per Cent. Government Loan, until further notice, unless an intimation of its withdrawal or the withdrawal of a portion of it be given by the Depositor within One month after it has reached that amount.

9. Interest at 4 per Cent. per annum will be allowed on Deposits until further notice.

10. Interest will be calculated on a Deposit from the first day of the month succeeding that in which it shall be received and up to the last day of the month preceding that in which it shall be withdrawn. No Interest will be allowed for broken periods of a month, nor calculated on fractional parts of a Rupee.

11. The Government reserves to itself the power of lowering or raising the rate of Interest, such alteration not to affect Deposits above 500 Rupees previously invested in Public Securities, and due notice to be given in the Calcutta Gazette of the intention of Government six months before the alteration shall take effect.

12. All Deposits will be regularly entered in a Book at the time they are made, and the Depositor of the Deposit made at the Presidency, will be furnished with a small Book having a duplicate of the entry. This book is to be brought to the Bank whenever any sum is deposited or withdrawn. The account thus kept will be closed on the 30th April of every year, and the balance of interest due at that period will be paid to the Depositor, or carried to account, thenceforward to accumulate at compound yearly interest, until it shall amount to 500 Rupees, when the same will be transferred from the accounts of the Bank, and subscribed on account of the Depositor to the Government 4 per Cent. Loan as per Rule 8, unless notice of withdrawal be given within one month as above, or unless the rate of Interest be altered as provided for in Rule 11.

13. No person or persons to deposit money in Trust for any other person or persons; provided, however, that this rule shall not be construed to prohibit individuals resident out of Calcutta, who cannot attend personally from making their Deposits by any other responsible person; or parents from making Deposits on behalf and on account of their children, or females, who according to the manners and customs of the Country do not usually make their appearance in public, from making such Deposits by the hands of other persons.

14. No sum deposited to be transferable excepting on the personal application of the Depositor, supported by written sanction.—When peculiar circumstances render a deviation from this rule necessary the case shall be submitted to the Committee of Management for their sanction.

15. No person will be allowed to Deposit any money without making known his or her name, together with his or her profession, business, occupation, calling, and residence. A duplicate of this description will be entered in each Depositor's Book, to be produced whenever any sum is afterwards deposited or withdrawn.

16. Depositors will be at liberty at any time to withdraw any sums or portions of sums deposited by them, receiving interest calculated up to the end of the month preceding that in which the withdrawal is made.

17. As a general rule, Deposits, with the interests due thereon, will be repaid to the Depositors personally in all practicable cases. ORDERS BY THE RIGHT HONORABLE THE
GOVERNOR GENERAL IN COUNCIL.
JUDICIAL AND REVENUE DEPARTMENT.
THE 7th OCTOBER, 1833.

The following Copies of Proposed Regulations, read in Council for the first time on the 7th October, are published for general information.

A REGULATION for abolishing Corporal Punishment; for substituting a Fine in certain cases for a sentence of labor; and for the gradual introduction of a better system of Prison Discipline.

Preamble.

Whereas Corporal Punishment has not been found efficacious for the prevention of crime either by reformation or by example; and whereas it is always degrading to the individual, and by affixing marks of in-

famy which often are for ever indelible, prevents his return to an honest course of life; and whereas there is every reason to fear that it is in many cases injudiciously and unnecessarily inflicted, becoming a grievous and irremediable wrong; and whereas it is becoming and expedient that the British Government, as the paramount power in India, should present in its own system the principles of the most enlightened legislation, and should endeavour by its example to encourage the Native States to exchange their barbarous and cruel punishments of maiming, of torture, of loss of limb, for those of a more merciful and wise character, by which the individual may be reformed and the community saved from these brutalizing exhibitions; and whereas it has been deemed expedient to authorize the substitution of a fine in lieu of labor, in certain minor offences, for which the Criminal Courts are empowered by existing Regulations to pass sentence of imprisonment with labor, either with or without irons; and whereas it has been deemed necessary to provide for the gradual introduction of a better system of prison discipline; the following Rules have been enacted to be in force from the date of their promulgation throughout the Territories subject to the Presidency of Fort William.

Parts of the existing Regulations which authorize sentences of corporal punishment, rescinded.

II. First. All provisions of the existing Regulations which authorize a sentence of corporal punishment by any Court or any Officer exercising magisterial powers, are hereby rescinded.

What additional imprisonment to be imposed instead of corporal punishment.

Second. Whenever a case may come before such Court or Officer, in which a Prisoner would be liable to corporal punishment under the existing Regulations in addition to the period of imprisonment limited by the Regulations, it shall be competent to such Court or Officer passing sentence to direct an additional period of imprisonment as follows—Courts of Nizamut Adawlut or Courts of Session and Circuit two years—Magistrates or Joint Magistrates one year—Assistants, Principal and other Sudder Amceens one month.

For what offences Criminal Courts are required to commute the penalty of labor in irons, to a fine.

III. First. In all cases of conviction for offences, other than Murder, Deceit, Highway Robbery, Burglary, Theft, receiving stolen or plundered Property, Forgery, Perjury, Arson, Rape, and generally all other

offences in which a sentence of five or more years imprisonment may be passed, the Criminal Courts are hereby required to commute the penalty of labor in irons, which they are authorized to award in addition to imprisonment, to a fine not exceeding the amount which they are respectively competent to impose under the Regulations in force, such fine

to be regulated with reference to the nature of the offence, the circumstances in life of the offender, and the term of imprisonment to which he may be sentenced.

Proviso, in event of default of payment of fine.

The Court imposing the fine shall fix a certain day within a reasonable time for the payment thereof, and direct that, in default of payment by the period prescribed, the prisoner be subjected to labor without fetters, until such fine be paid, or if not paid, until the completion of the term of his sentence. Nothing how-

ever in the foregoing Rule shall be construed to supersede the power to the Commissioners of Circuit, Session Judges, or Nizamut Adawlut, of exempting persons from labor and irons in any case whatever in which they may deem such exemption just and proper.

Prisoners exempted, or declared entitled to exemption from labor on the payment of a fine, to be kept separate, as far as practicable, from Convicts sentenced to labor in irons.

shall be careful to prevent all communication between the two classes.

Second. All prisoners who may be exempted, or may be declared entitled to exemption from labor on payment of a fine under the Rule prescribed in the preceding Clause shall, as far as practicable, be kept separate, both in and out of the Jail, from Convicts under sentence of labor in irons; and Magistrates and Superintendents of Prisoners and their subordinate Officers
